# Infrastructure, Smart Cities & Transportation WORKSHOP

Hosted by the MIT Department of Civil and Environmental Engineering and Parsons, the workshop will explore how the work conducted at MIT is applied within the engineering industry. As part of a collaboration between MIT and Parsons, the workshop will consist of presentations from MIT faculty about their research relating to infrastructure, smart cities and transportation, as well as brief talks from representatives from Parsons.

## March 8, 2017

Samberg Center, E52 - 6th floor

7:30 am Breakfast | 8 am - 5 pm Talks and Discussions | 5 - 7 pm Dinner Reception

### SPEAKERS

**Markus Buehler**, Department Head, CEE, and McAfee Professor of Engineering, MIT

**Karl Koster**, Director of the MIT Liaison Program (ILP)

**Vladimir Bulovic**, MIT Associate Dean for Innovation, Director, MIT Innovation Initiative

**Biff Lyons**, Executive Vice President, Defense & Security Division, Parsons

**Moshe Ben-Akiva**, Professor of CEE, Co-Director of Transportation Education Committee, MIT

**Lester Yoshida**, Senior Vice President, Intelligent Transportation Systems, Parsons

**Sertac Karaman**, Associate Professor of Aero-Astro, MIT

**Ali Jadbabaie**, JR East Professor of CEE and Institute for Data, Systems and Society (IDSS); Associate Director of IDSS, MIT

**Gibran Hadj-Chikh**, Director of Innovative Transport, Parsons

**Caitlin Mueller**, Assistant Professor of Architecture and CEE, MIT

**Peter Mauritz**, Senior Engineering Manager, Parsons

**Jinhua Zhao**, Assistant Professor of Urban Studies and Planning, MIT

**Jay Williams**, Vice President, Critical Infrastructure Protection, Parsons

**Saurabh Amin**, Assistant Professor of CEE, MIT

**Carolina Osorio**, Assistant Professor of CEE, MIT

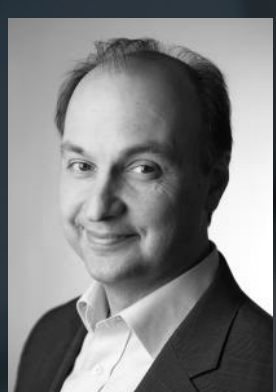

**Nour Kassassir**, Vice President and Technology Director, Business Technology Services, Parsons
