

PETITION TO CHANGE PROGRAM FORM - ENVIRONMENT

For undergraduate students whose program core undergoes an update during their undergraduate program the student, with permission of their advisor, may elect to pursue the updated subjects required to complete their core. Students should submit this petition by the end of their junior fall.

Core prior to the 2019-20 academic year (57 units)	Core effective as of the 2019-20 academic year (63 units)
1.018A Fundamentals of Ecology I (6 units)	1.018 Fundamentals of Ecology (12 units)
1.060A Fluid Mechanics I (6 units)	1.060 Fluid Mechanics (12 units)
1.061A Transport Processes in the Environment I (6 units)	1.061A Transport Processes in the Environment I (6 units)
1.070A Introduction to Hydrology and Water Resources (6 units)	1.070A Introduction to Hydrology and Water Resources (6 units)
1.080A Environmental Chemistry I (6 units)	1.080 Environmental Chemistry (12 units)
1.089A Environmental Microbiology (6 units)	1.091 Traveling Research Environmental Experience (3 units)
1.092 Traveling Research Environmental Experience (9 units)	1.106 Environmental Fluid Transport Processes & Hydrology Lab (6 units)
1.106 Environmental Fluid Transport Processes & Hydrology Lab (6 units)	1.107 Environmental Chemistry Lab (6 units) CI-M
1.107 Environmental Chemistry & Biology Lab (6 units)	

I hereby petition to adopt the revised core, implemented in the 2019-20 academic year.
