Civil and Environmental Engineering | Italy Fieldwork Application

Application Deadline: Friday, March 20, 2020

Criteria: Applicants must be committed to:

1. Applying for UROP funding by Thursday, April 16, 2020
and
2. Completing 1.057 Heritage Science and Technology in Fall 2020*

Process: Fill out the form below, write a one-page statement of interest, and submit your CV and grade report, along with one PPT slide that “introduces” you to the review committee. Submit all documents (form, statement, CV, grades and PPT slide) to the CEE Academic Programs Office at cee-apo@mit.edu by Friday, March 20, 2020.

Open to all MIT students, with preference will be given to rising sophomores and Course 1 students.

Admission: Decisions about applications for summer research fieldwork will be approved by Friday, March 27. Should you be admitted your next step will be to submit a UROP request for direct funding by Thursday, April 16, with research proposal.

Funding: Support will be provided by UROP Direct Funding. UROP Direct Funding is available towards hourly research wages (\$13.00/hr.) and round-trip airfare, not to exceed a combined total of \$3,000 for the summer. Lodging and most meals are provided by CEE.

* Please note that you must be able to the subject as designed and scheduled. Fall 2020, the subject will meet Tuesday/Thursday from 11am-12pm and lab on Fridays from 2-5pm.
