General Exam: Part 2 Scheduling Form

Part 2 of the General Exam must be completed by the end of the fourth academic term. In most cases, this exam occurs in April or May of Academic Year 2. Students should consult their research advisors when choosing the members of the evaluation committee. Although not required, in most cases, this committee will continue to become your doctoral thesis committee.

The evaluation committee for Part 2 consists of a minimum of three faculty or research staff within the student's core area. If appropriate, one member can be drawn from outside CEE. In many cases, this group will become the Doctoral Thesis Committee. The chair of the evaluation committee must be within CEE and cannot be the faculty advisor. Below, please fill in the names of the committee members and the date for which the exam is scheduled. The Graduate Program Committee will assign the Outside Committee Member.
